—Recent successful experiments have been made in San Francisco with the working model of an Ærial Navigation Machine. It not only ascends into the air, but was propelled the required direction by machinery. It is of a capacity to carry eight or ten persons, being constructed for the purpose of making a trip to New York. The inventor is consident the trip can be made in twenty-two millions this year, and customs but one hundred and fifty millions, while the book at this date would be one hundred and fifty millions, while the book at this date would be one hundred and fifty millions, while the book at this date would be one hundred and fifty millions, while the book at this date would be one hundred and fifty millions, while the book at this date would be one hundred and fifty millions, while the book at this date would be one hundred and fifty millions, while the book at this date would be one hundred and fifty four millions.

The following anecdote is told in Herr Hesekiel's life of Bismarck, the peared at Leipsic: Hearing a guest in a tavern speak insultingly of a member of the royal family, Bismarck sprang to his feet, and exclaimed, "Leave the room! If you have not left it before this glass is empty I will break it over your head!" Of course there was an interest the second volume of which has just appeared at Leipsic: Hearing a guest in a tavern speak insultingly of a member of the royal family, Bismarck sprang to his feet, and exclaimed, "Leave the room! If you have not left it before this glass is empty I will break it over your head!" Of course there was an interest the room of the word of the book at this date would be one hundred and fifty four millions, while the balance on the word in customs but one hundred and fifty four millions, while the balance on the word in the room is deed of the book at this date would be one hundred and fifty four millions, while the balance on the word in the second volume of which has just appeared at Leipsic.

Philadelphia.

I have derived decided benefit from the use of Heofian's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general dability, or from diseases arising from derangement of the liver.

In twenty-four hours.

—England and Portugal some time ago got into a dispute as to the owner-while some there was an uproar. All the guests rose and began shouling and gestioulating. But Bismarck calmly emptied his glass, and from Liberia. Last winter they made from Liberia. Last winter they made a treaty referring the question to the United States for adjustment, and the duty of arbitrator was accepted by the President. The Ministers of these countries yesterday, presented their papers to the State Department. The case on each side makes about two hundred manuscript pages, and a proper examination will require the attention of our Government for some time.

signals have passed since. A careful

watch has been kept up for a renewal of

signals. The first sign of something being wrong with the electrical condidition of the cable cccurred early this morning; but nothing of a definite character, until the above message reached us We nad a very long message at 11:36 Brunswick time last night, from the Great Eastern, at which time was signals were reported by Mr. May to be most perfect. I see no reason for the slightest alarm at percha, reported last night, that the slight fault of the 28th was improving. Mr. May agrees with me in thinking that they have buoyed the cable in sheal water and are returning to remove the fault. The delay is the only inconvenience,

The following has been received from Sir W. Thompson:
MINON, June 30.

I arrived here from Brest with Capt. Osborne at noon. A telegram from Mr. Gasel, dated at 9 o'clock this forenoon, Greenwich time, awaited him, saying that they intended to cut and buoy the cable. This has probably been done, as no signals have been received since

Remarks of Mr. Gladstone on the Irish Church Bill. The Lord Mayor gave a banquet to

Her Msjesty's Minister last night, at the Mansion House, Mr. Gladstone spoke, during which he alluded to the Irish Church bill. He said the government had bestowed its best endeavors on the conduct of the measure, which

A fearful disaster occurred at Carna-

deavors to the consolidation of liberty. ----

The Gettysburg Monumental De dication. GETTYSBURG, July 1.

The town is thronged and many were obliged to stay in the streets all night. Many strangers to-day visited the bat-tle field. The procession marched to the cemetery at ten o'clock under a milita-ry escort. Gen. Weed. Gov. Morton, Rev. H. W. Beecher, Mayor Wells Mc-Curdy and many others who were to participate in the celebration, were present.

The proceedings at the monument,

The proceedings at the monument, around which was stationed the military, was commenced by singing a hymn by the Baltimore Orion Society; Rev. Mr. Beecher then made the opening prayer. The hymn "Tis holy ground," written by B. B. French, of Washing ton, for the dedication of the cemetery of 1863, was sung by the chair. Prest. pearing from Peru,
General Markbreit, U. S. Minister to
Bolivia, arrived at Lima June 9th.
Capture of Cuban Ffitbusters.
The Revenue Cutter, Mahoning, yesterday afternoon captured the last filiMeade's speech, a passage was cleared
Meade's speech, a passage was cleared
Meade's speech, a passage was cleared in front of the platform, leading to the base of the monument, and assisted by Secretary of War Rawlins, the veil that shielded the front of the monument with rifles, field pieces, sabres and ammunition. The schooners were seized near Milford, Connecticut. All the vessels are now at the Brooklyn Navy Yard.

Cincinnati.
